

*“Service takes off.”*

In the 1980s, Elliott opened service shops in Jacksonville, Florida; New Orleans, Louisiana; Donora, Pennsylvania; and Basingstoke, England. Together with the field service group in Switzerland and the Houston shop that opened several years earlier, these operations formed the foundation for Elliott's global service network today. In 1984, the Donora shop chartered this C5A cargo plane to ship a repaired compressor to Ft. McMurray, Alberta, Canada.

*In 2010 we celebrate the 100th anniversary of the foundation of the original Elliott Company.*

*As we commemorate this centennial, we are pleased to share with you a series of significant events from each of Elliott's first 10 decades.*
